The trick is you only have a minute to do it. MORE FROM QUESTIONSANSWERED.NET It's the perfect brain stimulator after hours of watching all those cute cat videos. Your child can decipher the letters based on the number list to make a word or phrase. Better yet, create your own with words that would be appealing to your child. Crossword Puzzles Crossword puzzles build vocabulary and can be entertaining brainteaser games. If you prefer, child-friendly crossword puzzle books have the work already done for you. Rhyming Games Rhyming games are a fun activity to do together. While the connection isn't always obvious at first, it's sure to give you a chuckle if you ponder it long enough to get it. If you've got a way with words, don't miss this roundup of some of our favorites, complete with links to help you find them. Jumble Jumble is far from new to the word puzzle stage, as hardcopy editions of the game have been appearing in newspapers since 1954. They can also create words with letters. The goal is to unscramble those letters to find a word that you form by using your mouse to link the letters together. Completely free, this brain challenging game lets you compete against the computer to unscramble words and letters to score points. Photo Courtesy: Word Blitz/Facebook No matter which option you chose, you start with a grid of seemingly random letters. Challenge your social media friends to see who can unscramble the most words the fastest or let the game automatically set you up against other random players who are online. Page 2 Welcome to ESL Printables, the website where English Language teachers exchange resources: worksheets, lesson plans, activities, etc. If you want to download you have to send your own contributions. Fill the blank slots above the tiles with the words you form. The more rounds you win, the higher you will move up in a series of increasingly difficult leagues. Words with Friends No "unscramble the word" game list would be complete with mentioning the now iconic Words with Friends that rose to fame thanks to Facebook. Your job is to unscramble them to form words in a crossword puzzle style. Best of all, Scramble Words remembers your score for next time, so you never have to start over. Or pick a category like animals, where they write down how many animals they see. A variety of different websites host the game, including AARP. Outspell If you're a fan of Scrabble, then Outspell is a great online word game for you. The player who finds the most words by the end of each round wins trophies that add points to their score. When you log on, an extra-fluffy feline appears and presents you with various rows of letters. Another creative word game is to write a cryptogram message. If you get stuck, you can always reach out for some "kitty help," and your furry partner in unscrambling will supply you with a helpful hint. Photo Courtesy: Word Wipe/Washington Post Games Think of it as a cool mixture of a word unscrambling game and a puzzle game like Collapse! Remember to work as quickly as possible to clear as many rows as you can before the time runs out — and watch your score climb the ranks. Word Blitz Looking for a fun word game you can play with friends? One of the most popular multiplayer word games on the market, Words with Friends is kind of like an online version of Scrabble that you can play solo or with your family and friends. Once the word is formed, it will disappear, and the letters on top of it will drop down to the next row. You can buy books that have these games already created, or you can download them and print out the puzzles. This one features various rows of what appear to be random letters. Part of the fun is that the caption is connected in some way to a cartoon that appears alongside each puzzle. Much like the Scrabble board game, Outspell has letter tiles with different values, and bonus spaces are spread across different parts of the board. A word hunt could be as simple as choosing a letter from the alphabet to see how many words they can find beginning with that letter. Pick a word or a phrase ending with a specific word, then let your child come up with as many words as possible that rhyme with that word. Photo Courtesy: Words with Friends/Zynga The game was recently updated, and additional features include themed challenges, lightning dual rounds and daily goals to keep your learning on track. Check it out on Washington Post games. Word Wipe Word Wipe is another cool word game you can play on the Washington Post game page. Assign a number to each letter of the alphabet, then write the corresponding numbers down on a sheet of paper. Choose a level of puzzle suited to your child's ability. Years later, the transition to high-tech devices dampened our traditional fascination with puzzles, but that doesn't mean wonderful options no longer exist. Photo Courtesy: Roberto Westbrook/Image Source/Getty Images Remember your childhood days when simple word puzzle games were all the rage? MORE FROM QUESTIONSANSWERED.NET Welcome to ESL Printables, the website where English Language teachers exchange resources: worksheets, lesson plans, activities, etc. You can customize their difficulty based on your child's ability and age level.
